

U-Roof Ltd

Light Steel Roof Panels

SCI / NHBC Stage 1 System Certification

The Steel Construction Institute has assessed the structural aspects of the U-Roof Light Steel Roof Panel System for Stage 1 – System Certification and confirms that it is suitable for use in accordance with NHBC Standards Chapter 6.10 “Light steel framing”.

The system has been assessed for residential buildings. As its basic components the system uses cold rolled galvanised C-sections for wall studs, floor joists and roof panels designed in accordance with BS 5950-5.

Product ID: 20220628
End Date: 28th June 2022
